Description

PROCAT

ProCat® Loosefill Insulation. 33 bags per pallet. OC Code PC01

PROCATM

ProCat® Professional Loosefill Blown-In Machine. Covers 80.6 Feet at R30.

Owens Corning® ProCat® Professional Loosefill Insulation machine is available with no upfront out of pocket expense. Contract is a 3 year* program with a minimum annual purchase requirement. If purchases are not obtained there will be an annual fee. Dealer can use PADP funds to purchase. ProCat® insulation can be used with your existing Owens Corning® AttiCat® machines once the upgraded software is installed.

*18% more coverage than Owens Corning® AttiCat®
