DISCOVER UNLIMITED POSSIBILITIES WITH DECORATIVE MILLWORK

Fypon's collection of architecturally correct and historically accurate decorative millwork adds a refined look to both interior and exterior applications.

Decorative brackets can easily be added to the interior or exterior of the home for an added touch. Brackets are primarily used on porches, cornices, and as part of a gable end decoration. Interior uses include supporting or hiding joints between a beam and wall, embellishing doorways, supporting shelving, and hanging objects.
