Siding | Trim™

Make your mark in traditional home design by capturing the beauty of wood siding while promising lower maintainance. Distinctively thick Artisan siding and trim offer the aesthetic of authentic cedar profiles in high-performance fiber cement.

The 5/8-inch thickness and unique features of Artisan® siding provide a precise fit and finish as well as the freedom to miter corners for attractive, streamlined styling.

Stands up to storms and harsh weather

Water resistant

Won't be eaten by animals or insects

Fire resistant
