

BUILD BETTER WITH LP® SMARTSIDE® TRIM & SIDING.

Throughout the last 25 years, LP® SmartSide® Trim & Siding has earned a reputation as one of the highest-performing and most preferred siding brands on the market due to its **Advanced Durability for Longer Lasting Beauty®**.

ADVANCED DURABILITY

- Features engineered wood strand technology
- Helps deliver superior protection against hail, wind, and moisture
- Made using LP's proprietary SmartGuard® process, which includes four protective components that help provide resistance to moisture intrusion, termites, and fungal decay
- Withstands impacts, damage from freeze/thaw cycles, and high humidity
- Backed by a 5/50 year prorated limited warranty; see LPCorp.com for details

LONGER-LASTING BEAUTY

- Can help transform the home's exterior with uncompromising quality and distinctive curb appeal
- Available primed for exceptional paint adhesion and in a collection of 16 versatile ExpertFinish® prefinished colors
- Features a rich cedar-grain texture
- Available in a variety of styles and profiles
- Lap and trim are available in longer lengths, allowing for fewer seams and a polished aesthetic

EXCEPTIONAL EFFICIENCY

- Easy to cut, transport, and install
- Can be cut using standard woodworking tools
- Performs durably on the jobsite, minimizing wasted time and materials
- Lap siding weighs 45% less than fiber cement and is easier to carry, less prone to breakage, and available in 16 ft lengths, which may result in fewer cuts and seams
- Made from sustainably-harvested trees and has a carbon negative life cycle impact
