

BARN DOOR HARDWARE

89 and 91 Series

**Designed and Engineered for Fast, Easy Installation
and Long Lasting, Smooth Performance**

COXUSA's barn door hardware systems are designed to support wood doors weighing up to 225lbs. The hangers feature nylon-coated wheels for smooth, quiet operation without any hassle. For extra peace of mind, the anti-rise pin keeps the door securely on the track. It's a dependable, quiet, and easy-to-install solution with style and function.

- For wood doors up to 225lbs
- Nylon wheels for quiet operation
- Anti-rise pins prevent door from coming off the track
- ANSI Compliant
- Available Finishes:
Black, Bronze, Brushed
Chrome, Satin Nickel,
Silver, and Stainless Steel
- 89 Series has Flat Rail;
